

Sovereign Harbour Berth-Holders Association

www.shbha.co.uk

We're still here and looking forward to meeting everyone again.

OK, so the Dinghy Do got blown off! We're hoping to have one, subject to weather and tides so watch your emails.

There are also a number of other events at the planning stage, it's all taking a little longer as we're still trying to make sure that we're taking care to have plenty of space and meet outside when ever possible.

Anticipated events are:

Ropes and Cleats

Positions and Bearings

Splosh

A Flare Amnesty

Buoys and Toys

A Ladies Day

If you have an idea for something different then let us know.

Full details of events will be emailed out to you, posted on our website and on posters in all facility blocks.
