

Sovereign Harbour Berthholders' Association in collaboration with Sovereign Harbour Yacht Club

Safeguarding Our Marine Environment

Sussex Dolphin Project Managing Director, Thea Taylor, will tell us a little about their work collecting data on the marine mammals in our waters, at:

Sovereign Harbour Yacht Club

NOW

Wednesday 16th April 19.00hrs

She'll also tell us how we can help by sharing our own sightings.

Not just dolphins, but our harbour seals and the recent sightings of humpback whales in our waters.
